

Parent-Child Care Provider Napping Agreement

I _____ agree to have my
child _____ nap in/on a cot, pack and play, which will be
placed in the living room nap area, while s/he is in Mama Rachel's child care program.

Electronic Monitors will be used to monitor the sleeping child, the child will be checked every 5
to 15 minutes while sleeping.

I understand that my child care provider must remain on the same level of the home as the
children at all times.

Sleeping arrangements for infants require that the infant be placed on his or her back to sleep,
unless medical information is presented to the provider by the parent that shows that this
arrangement is inappropriate for that child.
